THE PRICE OF BREAD .-- The Washington correspondent of the Baltimore Sun says:-The recent rise in the price of bread has drawn public attention again to a subject which has from time to time engaged the attention of municipal authorities in this country for a century past. It was stated in this correspondence of the 15th instant that 'an experimental baking, conducted many years since by the coporate authorities of one of the District towns, gave 275 pollads of bread as the product of one barrel of flour. This was only the succinet statement of a fact which may be stated more at large in a condensed extract from the minutes of the Common Council of Alexandria. (at that time in the District,) to the effect that the Common Council appointed a committee on the subject of the proper assizes of bread, and that committee reported 'that the clerk of the market attended Andrew Estave in baking one barrel of flour into bread, and that it pro duced 275 leaves of sixteen ounces each. Other bakers of the town also made experimental bakings from one barrel of flour, with the following results: David Henderson, 280 pounds; Dancau Charles, 268 pounds; Thos. Simms, 262 pounds; Lawrence Swan, 258 pourds, and Samuel Cooper, 246 pounds.

PARALYZED,-Mention was made briefly, in yesterday's Gazette of the illness of Mr. Pear son Chapman. The following particulars are from the Port Tobace; Times:
"We regret to learn that Mr. Pearson Chap-

man was partially paralyzed on Thursday of last week, at his residence on the Potomac. Mr. Chapman had been down to his fishing shore where preparations were being made for commencing fishing operations, and on his return to the house he found himself unable to alight from his horse, but was not aware of the 1. He has since that time been in pretty much the same condition, though indicating a predisposition to drowsiness, which is an unfavorable symptom. Mr. Chapman is considerably upwards of sevrectors ap 21-1t from such an attack is hardly to be anticipated.

OAT GRITS, fresh, received to day by ap 17 J. C. & E. MILBURN.

Though very domestic and retired in his habits and manners, ho is very generally known in the county and is universally esteemed as an

upright man. CANAL FREIGHTS .- The Cumberland Alleganian says:-"For the past few days an effort has been made by the individual owners to form a 'line,' and agree to ship coal to Georgetown at 75 cents per ton; the argument bcing that they were idle, with themselves and stock to feed, and that even at 75 cents per ton, SECOND PRESBYTERIAN CHURCH-Service morning and at night by Rev. Mr. Dinwiddie. METH. EPIS. CHURCH-Service at 11 a. m. at 90 cents. The movement has been gaining with no trippage of \$20 or \$30 to pay, they and 8.00 p. m., by Rev. W. C. Webb. At night third lecture on the book of Jonah. Subject, tion of a line, consisting of 30 boats, by which they engage to carry coal to Georgetown at the

above named rates. "We believe this is the first formation of a line outside the 'trippage' boats. We do not know whether it has a directing head, and only experience can show whether it is a judicious move. If it shall be demonstrated a success. it will have an eventful bearing upon the canal trade; if it fails, then numbers of boats must bands of just sufficient boats to do the carrying

PERSONAL. - The Richmond correspondent of the Fredericksburg News, writing of the opposition of the liquor merchants of the former city to the Moffett bill, says: --

"All of this seems to have been started by Alexander Huster, who went before the Legislature in the interest of the Alexandria liquor dealers and made a very able argument. This individual is well known as a correspondent, and is a man of fine talents and character; there is a certain trank honesty about him which makes him remembered by all who have ever seen him, while his gallant career in the civil war given him an air of romantic interest."

The Stauston Vindicator says :-"It is announced that Mr. Alex. Hunter will be a caudidate for the House of Delegates from Alexandria. He will be an able representative, and all of us who have read his "Chasseur" letters will be glad to know that as much brilliancy as they show is to be added to the service of the State."

RADICAL MEETING. - A meeting of colored radicals was held at the colored Odd Fellows' hall last night, with G. A. Lumpkins, chairman and A. W. Harris, secretary. The committee appointed at a previous meeting, to wait upon he President of the United States, reported their duty performed. An account thereof has been heretofore published in the Gazette. The committee futher reported a resolution recommending Edward Hughes for Postmaster of this city. This resolution gave rise to a great deal of debate, which was participated in by R. L. Mitchell and A. W. Harris, in support thereof, and Robert Hopkins and Robert Gaines in opposition. Without taken any action, the the meeting adjourned until Wednesday night

FISH REPORT.-Since yesterday there have been received at Fishtown about 1,500 shad. which sold at from \$15 to \$18 per hundred, and 130,000 herrings, which brought from \$8.50 to \$9.50 per thousand. Bunch fish are very scarce and not quotable.

The Denton Union says: "The shad and Allen, Wm herring fisheries on the Choptank are paying Barbour, Jas very poorly at present. The season has advanced far enough to base some calculation upon prospective results and the prospect is very gloomy. The prospects are that the present season will be even poorer than the last, which left our fishermen in debt. The fish season bids fair to be an entire failure.

DRAMATIC NEWS .- The Alexandria Thes . pian Association will give a series of performances commencing on Tuesday the first of May, at Peabody Hall. The array of talent is strong, the properties well designed, the costumes elegant, the scenery perfect and the dramatic fire that burns in each actor's breast so intense that the flames of genius will electrify this an cient old town. It would not be a matter of surprise that several of the actors of the club will have found their vecation, at last, and know that nature designated them

"To tread the mimic stage-To day a beggar-to morrow a king."

W. & O. R. R .- There are rumors on the street that negotiations are in progress looking to the speedy resumption of the construction of the Washington and Ohio Railroad to Winchester, and that the conditions involved are to be brought to the attention of the stockholders at the meeting to be held early next month. It is said that there will be some change in the directory, but that Mr. McKenzie, the popular and efficient president, will continue to manage the affairs of the company.

LEG AMPUTATED. - Dr. M. M. Lewis, assist ed by Drs. R. C. Powell and E. A. Stabler, today, amputated the right log of Mr. D. C. Thompson. Mr. Thompson, it will be recollected, was accidentally shot in the foot on the night of the 5th of March, and has been suffering very severely ever since, but it was hoped that the limb could be saved. Mortification having set to, however,, in the lajured member, it was amoutated below the knee, as above

CHRIST CHURCH YARD .- And now the axe is laid at the roots of many of the veteran and storm-beaten trees that have for so many years reared their heads in Christ Church yard, and they will no longer cumber the ground, and afford a pleasant shade in the heat of summer. It is hoped that white the improvements are going on other trees will be planted to take the place of those cut down.

PLEAD GUILTY .- John Bird, the negro boy who was arrested in this city on Saturday last in possession of a horse and wagon, which had been stolen from Mr. J. W. Gregg, in Washington, and who was subsequently sent to that city, was tried before Judge McArthur, yesterday and plead guilty. He was centenced to three years confinement in the penitentiary.

OVERBOARD. - Capt. Wm. A. Bagley, who runs a bumboat on the river, while shoving off prices which defy competition from a vessel, at Fishtown, last evening, lost his balance and fell overboard. Several parties standing on the wharf went to his assistance, and, after much diffieu'ty, succeeded in rescuing him by getting him in a boat.

FINED .- The colored boy who struck Rev. Mr. Dinwiddie's child with a brick, and the young colored man who attempted to prevent his arrest, as noticed in yesterday's Gazette, were both brought before the Mayor last night and appropriately fined.

The Columbia Steam Fire Engine Company held a special meeting last night. The only business transacted was making arrangements for the reading by Prof. Scharf next Tuesday. Howe's circus passed through here at an early hour this morning on two trains of cars

en route for Washington. During the thunder storm on Thursday night a cow belonging to Mr. Shafer, of Leesburg,

was struck by lightning and killed. Attention is called to the advertisement of a select reading by Prof. Scharf, next Tuesday withdraw from the trade, and leave it in the night, for the benefit of the Columbia Fire
